

1 like that in public, out to dinners and so forth would have  
2 to be out of town.

3 Q. And did Mr. Bonds explain to you why he was  
4 marrying another woman and yet you were visiting him on the  
5 road and you were continuing to be romantically involved  
6 with him?

7 A. She's black, and she would help him get  
8 custody of his children.

9 Q. Mr. Bonds told you that?

10 A. Uh-huh.

11 Q. You have to answer "yes" for the court  
12 reporter.

13 A. Yes. I'm sorry, yes.

14 Q. And do you recall when it was that he told you  
15 that?

16 A. I'm not sure. It was about the same time when  
17 she was about to move in. And like I said, I'm not  
18 positive.

19 I think she lived in -- I think she'd come  
20 down here to move in with him at least 1 year prior, but I  
21 guess that would make it January of '97.

22 So, at least about that time is when we had  
23 this conversation where he told me what would and would not  
24 change, and we made the decision to stay together at that  
25 point.
